Request for Statement of Qualifications (SOQ)

Fort Bliss 20MW Solar Photovoltaic System

El Paso Electric Company ("EPE") is currently seeking to pre-qualify interested parties ("Party") capable of providing renewable energy services including: design, installation; commissioning; operation; maintenance; and ownership of a 20MW solar photovoltaic system ("PV services"). The solar PV system is expected to be located on land within the Fort Bliss military reservation in the El Paso, Texas area.

Please review in detail the attached SOQ document for development of your response.

Your SOQ response is due no later than **4:00 PM (MDT) on August 8, 2012**. Please e-mail your response indicating the project title in the "Subject" line and submit hard copies, one (1) original and two (2) copies, of your response to El Paso Electric Company, Attn: Robert Davidson, P.O. Box 982, El Paso, Texas 79960.

Failure to submit your response by the date and time due will result in any late submittal being considered "Non-Responsive".

Questions regarding this request may be submitted by telephone or by e-mail to:
