

Pool Pump Rebate \$300-\$350

El Paso Electric

Texas Residential & Income Qualified Solutions Programs

1. Program Overview

- El Paso Electric will pay out a rebate to eligible customers within EPE's Texas service territory that installs an eligible Energy Star® variable or multi-speed Pool Pump.
- Rebate will be available through December 31, 2026, or upon funding availability.
- Customers may hire a contractor of their choice, or they may choose to do the work themselves.
- Rebate amount is \$300 for Residential customers and \$350 for Income Qualified customers.

2. Customer Eligibility

- Customer *must* reside in Texas and receive electric service from EPE.
- Single Family Homes only (1-4 units in one location).
- To qualify for enhanced incentives through our Income Qualified Energy Efficiency Program check the Income Eligibility Form found at <https://www.epelectric.com/energy-efficiency/texas-residential-energy-efficiency-programs>
- Customer must qualify through categories 1A, 1B or 1C. Category 2 is not eligible.
 - Category 1A - Provide proof.
 - Category 1B - Confirm during funding reservation.
 - Category 1C - Check at www.huduser.gov/portal/sadda/sadda_gct.html.

3. To Qualify

- Pool Pump *must* be purchased and installed in the current program year.
- Pool Pump must be Energy Star® and must be listed on their directory, www.energystar.gov/productfinder/product/certified-pool-pumps
- Pool Pump must be multi-speed or variable speed.
- Pool Pump must not serve multiple tenants in common areas.
- Ineligible pump products include waterfall, integral cartridge filter, integral sand filter, storable electric spa, and rigid electric spa.

4. Program Funding

- This program has limited funding. Rebates are awarded on a first-come, first-served basis.

5. Submit Required Documentation for Payment of Project

- Submittals will be made through email at epe.residential@cleareresult.com mailed to CLEAResult at **311 Montana Ave A-2 El Paso, TX 79902** or through online customer portal at <https://epe.cleareresult.com/>
- Customers must submit the following documents within the 45-day period starting from the invoice date
 - **Application Form.**
 - Manufacturer, model trade/brand name, model and serial numbers must be listed on the application form.
 - Release of liability for both El Paso Electric and CLEAResult included.
 - **Photographs of installed system, nameplate, and invoice/store receipt**

6. Project Notification/Schedule Inspections

- Once the rebate application is submitted, El Paso Electric and/or CLEAResult may perform an inspection to confirm project completion before paying out incentive. Inspections take 15 to 20 minutes and are scheduled during office hours; M-F, 8:00 am – 5:00 pm.
