Dear Mr. Doe:

In reviewing your account we find that within the past year we have received five checks returned to us by your bank due to Insufficient Funds. Therefore, we are no longer able to accept payment on your account by check. Payment must be made by Cash or Money Order. If payment is sent to us by check, the check will not be processed and will be returned to you.

We feel this action will be beneficial to us both. Thank you for your cooperation.

Sincerely,

Rose Ann Valenzuela
Supervisor, Customer Control
