In addition to the above, the Optional TOU rate schedule is available under the following conditions:

X

1. Under TOU, a meter will be installed at the Customer's location that allows the Customer to pay for electricity based on the time of day it is used. The meter will record the amount of electricity used during two mutually-exclusive time periods. These periods are an On-Peak period of 1:00 P.M. to 5:00 P.M., Mountain Daylight Time, Monday through Friday, for the months of June through September, and an Off-Peak period that includes all other hours not covered in the On-Peak period.
2. The Customer agrees to remain on the TOU rate schedule for a minimum of twelve (12) consecutive months. At any time after the initial twelve (12) consecutive months, the Customer may request removal from the TOU rate schedule.
3. The Customer agrees that TOU billing will become effective with the first complete billing cycle following installation of the TOU meter.
