**PRESS RELEASE: July 10, 2020**

**ROAD CLOSURE: El Paso Electric to Conduct Work Along North Loop Drive**

*Complete closure between Lee Trevino and Pendale Drives*

**EL PASO, Texas** – El Paso Electric (EPE) will be replacing transmission lines and completing several wire crossings in the Mission Valley area of El Paso along North Loop Drives between Lee Trevino and Pendale Drives. For the safety of the public, EPE will be requiring a complete road closure to all thru traffic along North Loop Drive between Lee Trevino and Pendale Drives this Sunday morning, July 12 from 6:00 a.m. and 1:00 p.m. El Paso Police will be on site to assist with the road closure and to allow access for residents and businesses within this area.

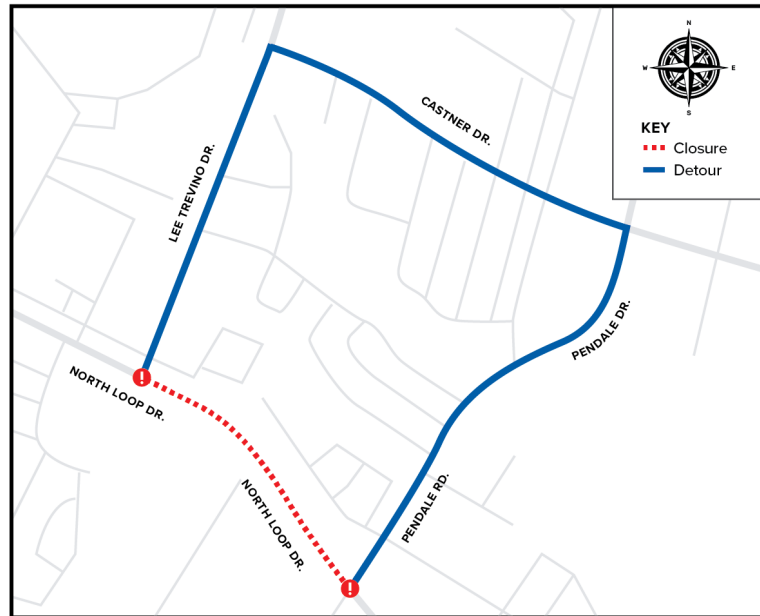

**CLOSURE INFORMATION**

- **EAST and WEST BOUND:** North Loop Drive will be closed in both directions.
- Residents and businesses along North Loop Drive between Lee Trevino and Pendale Drives will continue to have access.

**DETOUR INFORMATION**

- Thru traffic that typically uses North Loop Drive to travel east or west are encouraged to use Castner Drive to travel between Lee Trevino and Pendale Drives.

**North Loop Road Closure**

**About El Paso Electric**

El Paso Electric is a regional electric utility providing generation, transmission and distribution service to approximately 435,000 retail and wholesale customers in a 10,000 square mile area of the Rio Grande valley in west Texas and southern New Mexico.
