PRESS RELEASE: October 4, 2019

Road Closure: El Paso Electric To Conduct Work Along Montana Avenue
Complete closure between Lee Trevino and George Dieter Drives

EL PASO, Texas – As part of the Texas Department of Transportation (TxDOT) *Montana Avenue Widening Project*, El Paso Electric (EPE) will be relocating electrical wires along Montana Avenue requiring a complete closure between Alba Lane and George Dieter Drive this Sunday, October 6 from 5:00 a.m. to 11:00 a.m.

This is part of the initial phase for the overall TxDOT widening project launched earlier this year in March.

Road Closure Information:

East- and westbound lanes along Montana Avenue between Alba Lane and George Dieter Drive will be completely closed.

Suggested Detour Information:

Eastbound commuters will turn right on Lee Trevino Drive, left onto Edgemere, then left onto George Dieter to reconnect to Montana Avenue.

Westbound commuters will turn left on George Dieter, right onto Edgemere, then right onto Lee Trevino to reconnect to Montana Avenue.

Montana Ave. Closure Between Alba Lane and George Dieter Drive

Residents within the complete closure along Montana Avenue will still have access to their neighborhood streets.

Commuters are asked to safely follow detour signs in the area and be mindful of reduced speed limits.

About El Paso Electric

El Paso Electric is a regional electric utility providing generation, transmission and distribution service to approximately 428,000 retail and wholesale customers in a 10,000 square mile area of the Rio Grande valley in west Texas and southern New Mexico.
