**PRESS RELEASE: November 15, 2019**

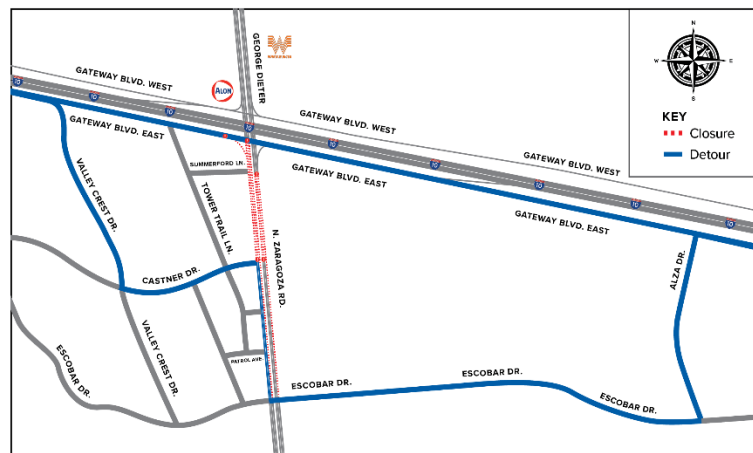

**Road Closure: El Paso Electric To Conduct Work Along North Zaragoza Road**  
*Complete closure between Castner Drive and Summerford Lane*

**EL PASO, Texas** – El Paso Electric (EPE) will be conducting routine infrastructure work at North Zaragoza Road between Castner Drive and Summerford Lane in the Mission Valley area of El Paso Sunday morning, November 17 from 6:00 to 10:00 a.m. This work will require a complete road closure in both directions.

**Road Closure Information:**

- A complete road closure in both directions along N. Zaragoza Road between Castner Drive and Summerford Lane.
- Southbound traffic along N. Zaragoza Road will have lane reductions down to two-lanes at Gateway Blvd. West.
- Northbound traffic along N. Zaragoza Road will have lane reductions down to one-lane at Escobar Drive.
- Highway I-10 traffic – east and west bound will not be able to turn south onto N. Zaragoza Road. Exits off freeway will remain open.

**Road Closure:  
North Zaragoza Drive**

**Suggested Detour Information:**

- Southbound traffic and Highway I-10 westbound traffic can make a left on Gateway Blvd. East, a right at Alza Drive, and another right at Escobar Drive to regain access to N. Zaragoza Road.
- Northbound traffic can make a left on Castner Drive, right on Valley Crest Drive to Gateway Blvd. East.
- Highway I-10 eastbound traffic can safely exit N. Zaragoza Road, make a right on Valley Crest Drive, left on Castner Drive to access N. Zaragoza Road.
- Access to businesses along N. Zaragoza Road between Castner Drive and Summerford Lane is made possible via Tower Trail Lane.

Commuters are asked to respect construction barricades and be mindful of reduced speed limits.

**About El Paso Electric**

El Paso Electric is a regional electric utility providing generation, transmission and distribution service to approximately 430,000 retail and wholesale customers in a 10,000 square mile area of the Rio Grande valley in west Texas and southern New Mexico.
