PRESS RELEASE: December 10, 2019

Road Closure: El Paso Electric To Conduct Work in South Downtown El Paso
Complete closure along East 4th Avenue between Mesa and El Paso Streets

EL PASO, Texas – El Paso Electric (EPE) will be conducting infrastructure work in south downtown El Paso requiring a complete road closure along East 4th Avenue between S. Mesa and S. El Paso Streets. Traffic control set-up will begin tomorrow, December 11 at 8:00 p.m. to Monday, December 16. EPE infrastructure work will begin at 11:00 p.m. each evening and will run through 6:00 a.m. the following day.

Road Closure Information:

- A complete road closure in both directions along E. 4th Avenue between South Mesa and South El Paso Streets.

Suggested Detour Information:

- North and south access along Oregon Street will be rerouted through E. 3rd Avenue and Father Rahm Avenue
- East and west traffic can utilize Father Rahm Avenue.

Commuters are asked to respect construction barricades and be mindful of reduced speed limits.

About El Paso Electric

El Paso Electric is a regional electric utility providing generation, transmission and distribution service to approximately 430,000 retail and wholesale customers in a 10,000 square mile area of the Rio Grande valley in west Texas and southern New Mexico.
