PRESS RELEASE: December 18, 2019

One-Lane Road Closure: El Paso Electric To Conduct Work in South Central El Paso
Eastbound along Alameda Avenue in UMC area

EL PASO, Texas – El Paso Electric (EPE) will be conducting infrastructure work in south central El Paso requiring a one-lane road closure eastbound along Alameda Avenue between Fullan Street and Reynolds and South Val Verde Streets. Traffic control set-up will begin at 8:00 a.m. on Thursday, December 19. Infrastructure work is set to take one day with an anticipated completion time of 4:00 p.m. the same day.

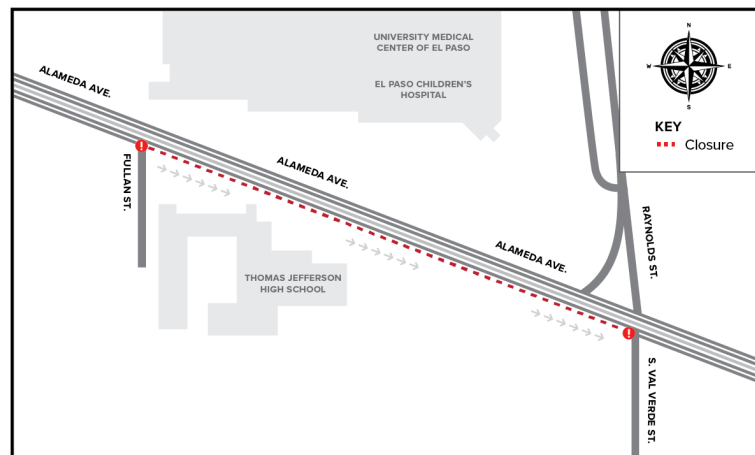

Road Closure Information:

- A one-lane eastbound road closure along Alameda Avenue between Fullan Street and Reynolds and South Val Verde Streets.

Suggested Detour Information:

- Alameda Avenue, eastbound, will be reduced to one-lane from Fullan Street and Reynolds and South Val Verde Streets.
- Westbound traffic along Alameda Avenue will be unaffected.

**One-Lane Road Closure
Eastbound Along Alameda Avenue**

Commuters are asked to respect construction barricades and be mindful of reduced speed limits.

About El Paso Electric

El Paso Electric is a regional electric utility providing generation, transmission and distribution service to approximately 430,000 retail and wholesale customers in a 10,000 square mile area of the Rio Grande valley in west Texas and southern New Mexico.
