PRESS RELEASE: April 1, 2020

ROAD CLOSURE: El Paso Electric to Conduct Work for TXDOT Montana Freeway Project
Complete closure along George Dieter Drive

EL PASO, Texas – As part of Texas Department of Transportation (TXDOT) continuation of the Montana Freeway Project in east El Paso, El Paso Electric (EPE) will need to complete electrical infrastructure work south of Montana Avenue at George Dieter Drive. In order for EPE to safely conduct the necessary work in a timely manner, a complete closure along George Dieter Dr. between Montana Ave. and Turner Road will be necessary from 9:00 a.m. till 5:00 p.m. this Thursday, April 2.

CLOSURE INFORMATION

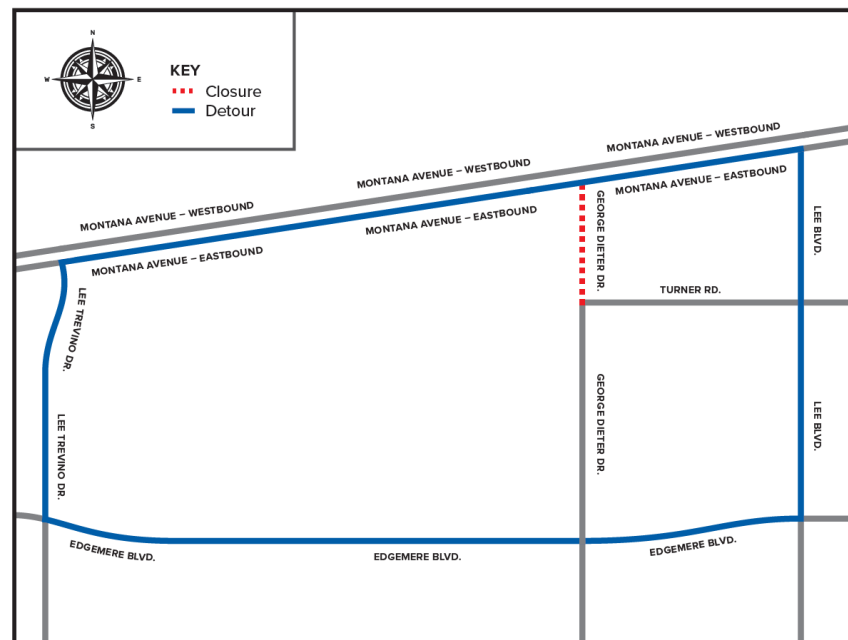

- NORTH AND SOUTHBOUND:**
George Dieter Dr. in both directions will be completely closed between Montana Ave. and Turner Rd.

TXDOT Montana Freeway Project

DETOUR INFORMATION

- Traffic traveling along Montana Avenue east- or westbound may still drive past George Dieter Dr.
- Suggested detour is to utilize Lee Trevino Drive and Lee Boulevard to travel north and south, and Edgemere Boulevard if traveling east and west.

About El Paso Electric

El Paso Electric is a regional electric utility providing generation, transmission and distribution service to approximately 433,000 retail and wholesale customers in a 10,000 square mile area of the Rio Grande valley in west Texas and southern New Mexico.
